# haloween dance

\_\_\_\_\_ First Name of a Person is helping her mother get her Magic Shop ready for Halloween - which as every kid knows is on October \_\_\_\_\_ Number !!! (sorry we got that wrong in our song, 'Don't Be Scared of Halloween' ).

\_\_\_\_\_ First Name of a Person Great Aunt \_\_\_\_\_ First Name of a Person is coming to stay for Halloween. Unfortunately her Great Aunt always makes Katie \_\_\_\_\_ Adjective by being just too " \_\_\_\_\_ Adjective ". She can't resist \_\_\_\_\_ Verb - Present ends in ING on her \_\_\_\_\_ Noun and doing other tricks that draw attention to the fact that the family are witches.

This story features incidental music by Gabriella and Jay. And Natasha has made a Spooky Halloween Dance to go with the music and song (There are instructions in the story and you can read them in more detail on the song's page).
