<u>First Name of a Person</u> is helping her mother get her Magic Shop ready for Halloween - which as every kid knows is is on October <u>Number</u> !!! (sorry we got that wrong in our song, 'Don't Be Scared of Halloween').

This story features incidental music by Gabriella and Jay. And Natasha has made a Spooky Halloween Dance to go with the music and song (There are instructions in the story and you can read them in more detail on the song's page).
