Give Me Liberty Or Give Me Death!

MR. Full Name of a Person: No man thinks more highly than I do of the patriotism, as well as abilities, of the very worthy Animal (plural) who have just addressed the Noun. But different Animal (plural) often see the same subject in different lights; and, therefore, I hope it will not be thought Adjective to those Noun - Plural if, entertaining as I do, opinions of a character very opposite to theirs, I shall speak forth my sentiments freely, and without reserve. This is no time for ceremony. The question before the House is one of awful moment to this country. For my own part, I consider it as nothing less than a question of freedom or slavery; and in proportion to the magnitude of the subject ought to be the freedom of the debate. It is only in this way that we can hope to arrive at Location, and fulfil the great responsibility which we hold to Proper Noun and our Noun. Should I keep back my opinions at such a time, through fear of giving offence, I should consider myself as guilty of treason towards my Noun, and of an act of disloyalty toward the majesty of Location, which I revere above all earthly Noun - Plural.
