Seth-Mad Lib

Once upon a time there were two people, By the names of Farmer Joe and Phil. They were best friends <u>Conjunction</u> lived together for many years until one day. On the 14 day of September in 2079, a huge storm came and destroyed the whole village. "Good grief! The whole village is gone!" They both said at the same time. Joe and Phil were left ______ nothing except for each other. Both of them decided to go onto a long journey to find somewhere to live and find ______ food. While they searched for the perfect place to live they encountered many ______Adjective ______ beasts along the way. Joe and Phil were running and Verb - Present ends in ING to try to escape the Noun . They Verb - Past Tense Adverb a dark cold cave while the huge beast went away, <u>Conjunction</u> now they were in even more trouble. A huge very Adjective brown bear roared in the back of the Noun . "RUN", both of them said at the same time. So that's what they did, ran as fast as they could out of the cave and Adverb up into a tree. "I can't do this anymore, we have preposition go back and find other people to help us." Joe said. We can't we already made it this far Joe." Phil said. Then out of nowhere, Pronoun were both swallowed by the bear. Then I woke up from my terrible dream! "
