# Field trip

One \_\_\_\_\_ afternoon I was on my \_\_\_\_\_ field trip. We were going to a \_\_\_\_\_ cave. When we got to the cave I couldn't believe my eyes I saw a \_\_\_\_\_ bat! No! Wait! I got closer and saw that it was a \_\_\_\_\_ dragon! It had \_\_\_\_\_ scales and its teeth were as long as my arm. Everyone got crushed and was killed except me. As I ran out I saw a \_\_\_\_\_ skeleton in a corner wearing \_\_\_\_\_ armor and holding a \_\_\_\_\_ sword. I really wanted to be a knight for Halloween so I changed into the \_\_\_\_\_ armor and grabbed the sword and shield. I raced toward the \_\_\_\_\_ dragon and slashed it like it was \_\_\_\_\_ ham. I always wondered what a dragon tasted like so... I ate it! It tasted like \_\_\_\_\_ shrimp!
