Taylor Jones~Mad Lib

One day, _____Noun_____ went to _____Noun_____ she wanted pancakes. When she was driving to Ihop a guy pulled in front of her she got mad and she deeply wanted slap him in the face his name was Brad she got really mad at brad for doing that so she went and slapped him because she wanted to get pancakes first. Brad asks " what did I do wrong" and Taylor said "you pulled in front of me and I wanted to get my pancakes before you" so Brad says "oh I'm sorry but, _____Adjective_____, I'm still get pancakes before you" so Taylor pulled in front of him and Brad quickly pulled out when Taylor was pulling out and they both crashed and Brad died but Taylor was seriously injured and had to go to the hospital and she almost died because her heart and lungs were slowing down but about a month later she got better. Then she went to Brad's funeral and she got sad because she didn't mean to get that mad at him. Then she went back to ihop and it did the same thing but it was Noah so she slapped him.....and Noah died. Well you get the point the end.
