beauty secrets

Welcome, Noun - Plural ! Have you ever Verb - Past Tense to be the Adjective - Superlative girl
ever ? Me too ! That's why, today I am gonna Verb - Non 3rd Person Singular Present you some beauty
Noun ans advice ! First, remember to, every Noun, wash your Adjective
Noun with the Noun Noun. You should also add some Noun extract to
protect your Adjective skin. Then, use makeup to be the Adjective - Superlative. As for my opinion, I
would prefer to use Adjective makeup, that is made using (you guessed it) Noun and
Noun extract. Even Barbie does it ! I suggest you to wear some Adjective old-fashioned and
glamorous dresses, high heel shoes and Adjective lipstick and Noun polish. To have the most
Adjective and Adjective hair, we suggest it to wash it with flower extract and the most
Adjective - Superlative water. Do not forget to dry it with a Adjective Noun hairdryer. Also,
if you have a really, extremely Adjective backside, we suggest you go on a diet or a cure, because
commonly, Noun - Plural do not look like oversized hippos. I hope that you all will hear my
Adjective advice, and I hope that you will all look as Adverb as me.
