2012 apocalypse

The 2012 Event is said to happen in Year because that's when the Mayan's Noun ended. The end of the Noun will be upon us, and Noun will verb.

Are the Mayans Adjective? Will the world really verb on month 21st, 2012? Only time can tell.

Me, I hope not, because then I wouldn't get any holiday Noun and I Wouldn't have avery Adjective life because at number, I'm a kid.

I don't think the Mayans are right. They probably just ran out of Noun!
