# Giving Thanks

Celebrating Thanksgiving is always interesting \_\_\_\_\_ my house. We eat turkey, cranberries, and stuffing. We play games and watch a lot of football \_\_\_\_\_ the television. Somehow every year, my aunt and uncle always surprise us with some sort of family news. Last year, we found out their dog got lost for five hours but was returned \_\_\_\_\_ he was found \_\_\_\_\_ the block. Two years ago, my cousin was shipped \_\_\_\_\_ Iraq. This year, they delivered the craziest news yet. They said that they would no longer be \_\_\_\_\_ Thanksgiving. They said they were moving \_\_\_\_\_ another country. They were moving all the way \_\_\_\_\_ England!
