WHAT?

First Name of a Person was walking to the park when Pro-noun that matches the name saw a Verb -
Present ends in ING Noun. This wasn't just any First verb- present First noun. It was a
magical First verb- present First noun. It could dance, sing, drink cans of Noun and it was
First Name of a Person favorite color, Color. Same Name grew to love this First verb-
present First noun, but then it turned on her. It looked up at pronoun like his or her that matches the name
with a mind boggling expression, then it took a Destructive handheld object to the ground and brought
pronoun like his or her that matches the name to the worst dystopia ever. It was just a maze made out of dead
Animal (plural) and Type of cheese. Same Name walked through this dystopia. For some
reason Pro-noun that matches the name began to imagine that it was all made out of ice cream. Pro-noun
that matches the name was suddenly very, very happy. Pro-noun that matches the name ate all of the ice cream,
grew a beard and lived there for the rest of her life.
