# My Crazy-Fun Reunion

\_\_\_\_\_! Was this summer fun-filled and \_\_\_\_\_! Every three years my family has a huge reunion, and everybody comes to Charles City. This usually lasts for three days, but the third day is my favorite. We have a homemade 'Wipeout' course and lots of different games. Our course includes tires, a balance beam over a kiddy pool filled with \_\_\_\_\_, a blow-up slide, a black tube, an army crawl, and a box crawl. I would say that the box crawl is the trickiest, because you have to \_\_\_\_\_ through \_\_\_\_\_, and not hit a dead end. We also have toilet, bed, and minnow races. The toilet races are pretty tricky, because when you come around the corner, you have to \_\_\_\_\_ lean with the cart, if you're riding. The person pushing has to have complete control in steering. With the \_\_\_\_\_ races, we race down the driveway, stop, do a Chinese fire drill, and then \_\_\_\_\_ back. It's pretty entertaining to watch, especially because I've got some pretty \_\_\_\_\_ family members. The only thing you have to do with the minnow races is to \_\_\_\_\_ a minnow, hope it's fast and not stubborn, put it into the cut PVC \_\_\_\_\_, and help it glide in the water to the finish line. Also for our family reunions, we have some old fashioned races and relays. This family reunion was pretty \_\_\_\_\_ this summer. There were 97 family members! It was really awesome to get to see everyone, though. I can't wait until the next big family reunion!
