# Florida

\_\_\_\_\_ Noun was my very first trip out of Iowa. I was so excited that I couldn't sleep or think about anything else than just getting up and going to Florida. When we got up the next morning we had to pack everything so \_\_\_\_\_ Adverb because we slept in. About an hour after we were on the plane I fell asleep. When I woke up we were in sunny Florida and ready to be getting off the plane. When we got all situated we started to walk around and see the \_\_\_\_\_ Adjective sites. We stayed in Florida for two \_\_\_\_\_ Adjective and \_\_\_\_\_ Adjective weeks. The next day my mom woke up and in a \_\_\_\_\_ Adverb voice said that we were going to go to \_\_\_\_\_ Noun \_\_\_\_\_ Noun. We first said \_\_\_\_\_ interjection! but then we started to \_\_\_\_\_ Verb - Base Form around \_\_\_\_\_ Verb - Present ends in ING and \_\_\_\_\_ Verb - Present ends in ING because we couldn't wait any longer to get there. We got to Disney Land and we had so much fun doing all the rides and going to the magic shows. Then for the rest of the time we basically did the same thing but it never got old to us. Then after the two weeks it was back to the freezing days of \_\_\_\_\_ Noun \_\_\_\_\_ Noun, \_\_\_\_\_ Noun.
