# My First Day of Middle School

On the first day of \_\_\_\_\_ Noun \_\_\_\_\_ Noun my \_\_\_\_\_ noun-person \_\_\_\_\_ adverb- ends in ed, although i  
thought it was funny. I \_\_\_\_\_ Adverb realized that I was growing up way too fast.

I got to see my friends after the long summer. I also got to meet the teachers a little bit better than the night  
before.

I was excited because I got to go to school with the " \_\_\_\_\_ Adjective \_\_\_\_\_ Adjective ". Even though it was  
scary going to school with the "big kids", I had thought that all of the bigger kids were going to \_\_\_\_\_ Adverb  
me up. After a couple weeks had passed, I had realized \_\_\_\_\_ interjection the bigger kids wouldn't beat me up.

During the school year I would sit and \_\_\_\_\_ Verb - Base Form with my friends during the lunch hour. We would  
\_\_\_\_\_ Verb - Base Form about our summer vacations, and how we wished it was still summer.

Every summer I go to Minnesota, come back and \_\_\_\_\_ Adverb share the trip with all of my friends.
