Our Best Football Clutch Moment

With one minute to go I as fast as I possibly could when #33 was running down the
sideline. I had to goAdjective and try to push him out. I then but yet
got ready for the next play. Then a counter run verb - Past Tense up the sideline and
Proper Noun leaped over a player. Then he crushed his way into the endzone. Our Adjective face
then turned depressed. At last Alex Koehler with a face barrelled through the line to stop the
2-point conversion. So then we excitedly got ready for the kickoff. Proper Noun returned the kickoff and
ran forward for a decent gain. A timeout was then called by us Proper Noun
said "I believe in you". He had faith in us. So the next two deep passes were sad and failed
attempts.
Now anxiously on our last play of the game Malik and I ourselves for a hailmary. Drew
then took the snap and drew back cautiously. Then the ball was soaring in mid air and bam. The ball went into
his hands! Touchdown, we won! We all then piled around malik for the celebration as we
were coach Deans first 500 team. We went 0-3 to coming back with a 3-0 game winning streak. What a way to
end my Charles City Middle School career.
