# ITEC Fair Win!

In 5th grade, I won a \_\_\_\_\_ Adjective ribbon for my movie project in ITEC. The Iowa Technology Education Convention brings elementary through high school students together to compete in different sections of technology. My group was entered in the iMovie section. We \_\_\_\_\_ Verb - Past Tense for hours before and after \_\_\_\_\_ Noun to finish in time.

When we arrived in Ames, we had to nervously wait to present. After waiting for what felt like ages we all \_\_\_\_\_ Verb - Past Tense to final judging. Names after names were rattled off, and the announcer finally arrived at the name of the final winning group. \_\_\_\_\_ Interjection! It was us! We all \_\_\_\_\_ Verb - Past Tense \_\_\_\_\_ Adverb and \_\_\_\_\_ Verb - Past Tense up the stairs to the \_\_\_\_\_ Noun. Then, we were ushered to a \_\_\_\_\_ Noun to get our picture taken. This is the first \_\_\_\_\_ Adjective ribbon my school had ever won!

We had the amazing chance to \_\_\_\_\_ Adverb represent our project at a Winners Convention the next fall. We were so excited to be able to show it to the other winners and spectators! The \_\_\_\_\_ Adjective ribbon is now in the trophy case at the school.
