# Jamal's Vacation

In \_\_\_\_\_, \_\_\_\_\_ me and my family went fishing. There was all different types of animals. My brother \_\_\_\_\_ teased one of the animals. Then we \_\_\_\_\_ the boat to the side, it as \_\_\_\_\_ quiet.

We walked through the mud and went about 30yds deep into the \_\_\_\_\_ woods, until my brother \_\_\_\_\_! I \_\_\_\_\_ so fast my, brothers said I litterly ran on water. My shoes were muddy and they were all white. On our way back, my brother in-law let go of the fishing pole, while trying to \_\_\_\_\_ the hook in the \_\_\_\_\_ lake/

While the hook was in the water, both of my big brother in-laws got into the \_\_\_\_\_ water w/o clothes just for a fishing rod, even thought it had a high price. It took time to find it 6 feet deep about, eventually they found it and we rowed back to the docks.
