# my first goose

The morning that i shot my first goose. I got up at 5:00 they were going to pick me up at 5:15 because season started at 6:00. I got dressed and told my           Noun           i'm going he said good luck. They picked me up and we went to one of our           Preposition          . We set up all the decoys and ground blinds. Then we talked until we heard geese then we got in our blinds and started           Adverb          . When we saw then we started           Adverb           them in. They flew in but they were too high and didn't land. They           Verb - Base Form           about 200           Preposition           in front us us so we moved. One guy took the           Noun           and went to the other side of the geese. He let the dogs go and scared them all. Some of them flew towards us. When they got close i heard take them and i           Verb - Base Form           up and started           Verb - Base Form          . There were 10           Noun           and we dropped 8 of them. I would say we had a pretty good morning.
