went to one of our fields. We set up all the and ground blinds. Then we talked until we heard

in. They flew in but they were too high and didn't land. They landed about 200 yards in front us us so we moved	
One guy took the and went to the other side of the geese. He let the dogs go and scared them all.	
Some of them towards us. When they got close i heard take them and i verb -
