The best trip I have ever had would have to be _____ Verb - Present ends in ING to _____ Noun, because it was a neat experience. I got to the Hershey Chocolate Factory. It was where very the first Hershey bar was ever made.

I went to the _____ Noun Amusement Park it was huge it was 4 times bigger than adventureland. It was _____ Adjective, because I was tall enough to go on every single ride. We were there because Hali made it there for the Hershey Track Meet.

We also went to _____ Noun Falls. _____ interjection! It was awesome because they were almost 1,000 feet tall. People that are _____ Adverb _____ Adjective have _____ Verb - Base Form _____ Verb - Base Form them in homemade barrels. At night the lights shine over from Canada. That makes it look like rainbows. It was a neat experience and I would do it again. I would recommend this awesome trip to everyone.
