

my dog ran away and then came back

1. Number

my dog ran away and then came back

_____ Number _____ day my dog was in the backyard and someone opened the gate and he got out and the buddy ran out to my moms car and then i yelled buddy come back so he did and then i said good boy you came back right away

then snowie my other dog he tried to run away but then i shut the gate real fast then patrick was going out the gate running away from one of the kids because they where playing games..... and partick didnt shut the gate all the way so i had to run to the gate and shut it so i did.....
