Worst Day of My Life

I could tell it was gonna be a Adjective day when I awoke to find a pimple on my Part of Body.

When I was getting ready for work i found a Noun in my morning cup of Liquid. On the way

to work some Adjective Noun yelled Exclamation! at me out his car window. When I got

to work I realized that I forgot my Noun which had important Noun - Plural inside. My boss got

Emotion and fired me for being such a Adjective employee. Just when I thought the day couldnt

get any worse I stepped in a pile of Noun on the way home and broke my Part of Body. WORST

DAY EVER
