Victorian Horror Story

I think it must have been two o'clock at least when I thought I heard a sound in that--that odious dark recess at the far end of the bedroom.... Without at first a _____ Noun _____ of anything supernatural, on a sudden I saw an old man, rather stout and square, in a sort of _____ Animal _____ dressing-gown, and with a black cap on his head, moving stiffly and slowly in a diagonal direction, from the recess, across the floor of the bedroom, passing my bed at the foot, and entering the lumber-closet at the left. He had something under his arm; his head hung a little at one side; and, merciful God! When I saw his face... I screeched louder than a _____ Animal _____ under a blanket!
