The Story

All of these lines across my face,

Tell you the story of who I am,

So many stories of where I've been,

And how I got to where I am,

But these stories don't mean anything,

When you've got no one to tell them to,

It's true, I was made for Number.

I climbed across the Adjective tops,

Swam all across the Location blue,

I crossed all the Noun and I broke all the Noun - Plural,

Baby I broke them all for Full Name of a Person,

Oh because even when I was flat broke,

You made me feel like a million Animal you do

And I was made for Full Name of a Person.

You see the smile that's on my Noun,

It's hiding the Event that don't come out,

All

of my friends who think that I'm Adjective,

They don't know my head is a Adjective,

No they don't know who First Name of a Person really am,

And they don't know what I've been through,

Like you do, and I was made for you.

All of these Noun - Plural across my face,

Tell you the story of who I am,

So many stories of where I've been,

And how I got Part of Body where I am,

Oh but these stories don't mean anything,

When you've got no one to tell them to,

It's true; I was made for you,

Oh yeah it's true I was made for Event.
