hannum

I went to _____ because I wished to _____, to _____

_____, and _____

_____ what it had to teach, and not, when I came to die, discover that I

had not lived. I did not wish to live what was not life, living is so dear; nor did I wish to practice resignation,

unless it was quite necessary. I wanted to live deep and suck out all the marrow of life, to live so sturdily and

Spartan- like as to put to rout all that was not life, to cut a abroad swath and shave close, to drive life into a

corner, and reduce it to its lowest terms, and if it proved to be mean, why then to get the whole and genuine

meanness of it, and publish its meanness to the world; or if it was sublime, to know it by experience, and able to

give a true account of it in my next excursion.
