2012 Thanksgiving

With turkey on his mind, Austin decided that the only way to pass the <u>Noun</u> until dinner was to

it in his Jeep. Unfortunately, he got ______ and wouldn't be able to make it.

As new parents, Cory and Sherri were very <u>Adverb</u> this Thanksgiving season, shopping was low on their

<u>Noun</u> of prioritys. Turkey, <u>food</u> and pie, on the other hand, was all Cory could think about.

With the Thanksgiving gathering taking place at their _____, Tyler and Erica were busy cleaning and

cooking. Tyler wanted to give a hand with the cooking, but lately the only 2 ingredients he knows how to use are

<u>Noun - Plural</u> and ply wood. Still, even with a bun in the oven, Erica could manage the turkey in the oven

on her own just fine.

We are all so thankful for our family and all of the blessings this year. God bless and let's eat!
