The perfect bank robbery

1. Using a Noun, disable the camera system. We wouldn't want anybody seeing us.
2. Put on masks of politicians like politician, politician, and politician. Everybody knows politicians are criminals so they won't think you are someone different.
3. Walk into the bank with your weapon and kill everyone in this order: bank tellers and executives, security, annoying celebrity, annoying celebrity, and then everyone else.
4. Take your time securing all the slang for money.
5. Unload your weapon.
6. Making sure there is a strong emergency or military personnel presence, walk outside pointing the unloaded gun at the officers.
7. Transform into kind of cheese cheese
8. You can't do anything else except taste good now, offensive swear word.
