About a baby

You probably will think a Noun is so Adjective but really there kind of not. When

Noun - Plural are number, they are very Adjective but once they are 1, they start to get

Adjective. For exsample, they do these things:

Verb - Base Form your Part of Body

Verb - Base Form you

Verb - Base Form

Verb - Base Form up your shirt and Verb - Base Form at your Part of Body

Oh baby!
