# Thanksgiving

One Thanksgiving Day many \_\_\_\_\_  
\_\_\_\_\_ ago, I went to \_\_\_\_\_ at my boyfriend's aunt's  
\_\_\_\_\_. She and her husband had a \_\_\_\_\_ and \_\_\_\_\_ house with a \_\_\_\_\_  
and a \_\_\_\_\_ the size of my kitchen \_\_\_\_\_. They \_\_\_\_\_ to deep-fry a turkey  
because they had heard how \_\_\_\_\_ they were. So Uncle Brian \_\_\_\_\_ out to  
the driveway where all the \_\_\_\_\_ are \_\_\_\_\_ around a turkey \_\_\_\_\_.  
Brian \_\_\_\_\_ the fryer up to the brim with \_\_\_\_\_ and turns on the heat. We all  
think, how is the \_\_\_\_\_ going to fit in there? Being new to the family gathering, however, I am not  
going to speak up. An hour later, the \_\_\_\_\_ is \_\_\_\_\_ brought out to be placed in the fryer. In  
goes the turkey, causing a \_\_\_\_\_ of hot \_\_\_\_\_ to erupt and cover the driveway. Oops!
