Be sure to take advantage of our exclusive cheats verification system. It will let you know what's guaranteed to work, what's been tested and probably works, and what a few people have reported as working but that we think is probably suspect. If a cheat works for you, let us know so we can help improve this system for others.

CheatCodes.com is the ONLY official source for games like Grand Theft Auto: Liberty City Stories, Midnight Club: LA Remix, Grand Theft Auto: Vice City Stories, and God of War: Chains of Olympus on PSP. As of Wednesday November 21, 2012 we have 4,955 PSP cheats and we add more every day.
