To make Noun , Tim Foil had to boil some Noun . At first, Tim Foil thought he had to boil oil to make Noun . Tim Foil was Adjective . Very Adjective . So Tim Foil went to get a Noun to boil some Noun . He reached in the Noun and poked his finger on the point of a Noun ! Ouch! Tim Foil found the Noun and started to boil the Noun . It made such a Adjective noise that he had to cover his Noun - Plural !! Tim Foil drank his tea and said: "Yum! This tea is good enough for someone royal!".
