## movie night with your crush

\_\_\_\_\_ Number day my crush [enter crush here] asked me if i wanted to go to the movies with him and i said yes .The next day after school we went to the movies when we first gotn there i was really nervous so when we sat down i [ noun] in my new skirt and then it got worse when i looked to my right my parents were there! and they thought i was at home studing! and when my parents saw me they said [adjective][noun] you are grounded! i was lucky my [adjective] friend was there because she told my parents what had happend and they believed her!
