# Fudge goes grocery shopping

One day \_\_\_\_\_  
decided he wanted to make \_\_\_\_\_  
for the whole \_\_\_\_\_. He knew  
the exact \_\_\_\_\_  
he needed to make this \_\_\_\_\_  
dinner. He felt confident he could figure out  
how to put it all together, without a \_\_\_\_\_!  
And was it really that important if he wasn't quite sure how  
to use a \_\_\_\_\_, an \_\_\_\_\_  
or any of those other things he saw his \_\_\_\_\_  
using when she  
was in the \_\_\_\_\_? He thought not!
