## The first day of school

It was the first day of school for and he knew he wanted to make this one great unlike all of
the other first days of school. But this year was unlike all of the other years; it was his last year of Elementry
school and he wanted to make it a moment to remember.
He in and he saw his teacher, Mr silly word standing there with grown
ups next to him blabbering out questions. While his parents joined the crowd, he went to go find his desk.
went to go search but he couldn't find it! All he found was a desk that had misspelled his name
. Come on!
He went to go find someone he knew. He looked and looked and looked but couldn't find anyone. He also almost
forgot that when you are in grade then you dont have! Tommy wouldn't
be able to see his friends at all! Talk about
What kind of is this? he said in his head. I just wanted to leave. Then, he saw something, it was
something moving! A! he cried. He had always wanted an animal in his classroom. From that
point on, he knew this was going to be the best school year ever!
