My Funny Mother-in-Law

Dear Diary,

My mother-in-law is very funny. She is funny because she still yells at my _____ Number year-old husband to stop doing something or she'd spank him on his _____ part of body! I always laugh. Then my hubbie glares at me with his _____ Adjective eyes.

Then he'd bellow, "Stop it! " but I don't. Yet, I still love him with all my _____ part of body, believe it or not.

But he doesn't know that when I look at him with Angry eyes. So he sticks his _____ part of body out at me. But my mother-in-law really likes me, so she tells my husband to go sit in the corner for a timeout. And then my hubbie starts to cry like a little _____ Noun. I wouldn't be surprised if my mother-in-law told him that he might as well suck his thumb. So, that is why I not only love and respect my mother-in-law, but I think she is funny.

SIGNED,

ELIZABETH

P.S. Did I mention? My husband's name is _____ First Name of a Person.
