## **Letter to the Teacher**

Dear Ms. First Name of a Person,
You are one of the best teachers in the world! You are, you always hand out lollipops to the
good kids, and you are very forgiving. For all these reasons, I would like to ask that you say that I am a very
student at parent-teacher conference week. I know I got a/an on my math test
recently, but I can promise that on my next science test I'll work really hard to get a/an Plus I will
scrape the off of everybody's desks. Just please consider it!
Love,
Your student,
Janacelebrity
