## lets go

Oh the weather outside is,	
But the is so delightful,	
And since we've no place to go,	
Let it! Let it snow! Let it snow!	
It doesn't show signs of, verb - Present ends in ING,	
And I've bought some for verb - Present ends in ING,	
The Noun-Plural are way down low,	
Let it snow! Let it snow!	
When we finally kiss goodnight,	
How I'll hate going out in the storm!	
But if you'll really hold me tight,	
All the way home I'll be warm.
