When I grow up

What do you want to be when you grow up? I want to be a missionary in country. I will take a mode of transportation to get there. All I'll need to take with me is my Bible and my Noun. I will study language and learn how to cook strange food. I hear that they have color monkeys and Adjective weather all year long. The roads will probably be Adjective to travel on. People might laugh at me because my skin is so Adjective. But I want the whole world to hear the good news of Jesus, even if it means sleeping on the Noun and not having Verb - Present ends in ING water. I will be happy to know that I get to be a part of God's plan..... "until the whole world hears". Where do you want to Verb - Base Form when you grow up?
