Welcome Home Gift Part 2

KATE'S POV:

I began licking my sisters pussy. I loved the way she moaned and quivered. She began to moan out my name. Oh God... her Moan is like heart warming.

"Oh God, Kate! I- I'm!"; Lilly Moaned unable to speak. I remember our first Orgasm...

FLASHBACK

We were at Jasper Park and all of a sudden we saw our mother and another wolf grinding their pussies together in a Loving or passionate matter.

"Um... K-ka-k-k-kate... Do- d-do you feel... I dont know... Hot?"; Lilly stammered.

"A-a little..."; I said. It was quiet for a bit.

"We'd better head-"; I said but was caught in a wet kiss. She put her tongue in my mouth. We fell to the ground sharing our pleasure.

"I want what they were doing..."; Lilly said in the most sexiest voice I'll never forget. She began humping me. I moaned, only to feel some wettness on my pussy. She humped harder, grinding our pussies. We cried out in pleasure and climaxed.

REALITY

Lilly clmaxed at the same time in my memory. I licked it all up.

"Ready for Me and Gohan, Kate?"; Lilly said in that sexy voice.

I nodded. Gohan came over and began licking my back and Lilly kissed me. I shuddered.

"Where do you want us?"; Gohan asked. My pussy was still to sore.

"In my ass. I heard it feels different down there."; I said.
