For the Love of Candy

Have you ever wanted a bowl of yummy M & M's? Or would you like a delicous Hershey Bar
or perhaps some chocaley Milk Duds. I know I do, but my favorate candy of all time is the
sweet, salty, crunchy peanuty taste of Cracker Jacks. They are a also a favorite of people of all
and are very popular at Baseball parks. My sister Kayla, though loves the fruity of Jell
Beans or the long dum dum lollipop. Regardless of what you like, candy it loved by everyone.
