A day at the garden

It was a <u>Adjective</u> day and I went into the <u>Adjective</u> garden and decided to pick some		
Adjective Noun - Plural from the garden. I found some Adjective lettuce as well as a		
Adjective strawberry. I looked down and saw some of the Noun - Plural looked a little		
Adjective as they had too much <u>Noun</u> and not enough sunlight. The garden had a lot of		
Noun - Plural and I went to pick some carrots which looked very Adjective. Then I went		
and grabbed my to help move around the soil on the ground to help the plants. At the end of the		
day I had picked a <u>Adjective</u> strawberry, <u>Adjective</u> carrots and <u>Adjective</u> lettuce. I saw		
the <u>Adjective</u> sun shining and watered the plants using the green watering <u>Modal</u> . I went home		
to helpverb theAdjective vegetables with my family.
