# The Bear and Cliff

\_\_\_\_\_ and I went camping in \_\_\_\_\_. We had a very \_\_\_\_\_ time there, all except when we almost \_\_\_\_\_ off a mountain! We were \_\_\_\_\_ up a very \_\_\_\_\_ mountain, and suddenly a \_\_\_\_\_ charged at \_\_\_\_\_! We ran, and \_\_\_\_\_ over everything that was in our path! We were so scared, and then we came to the Mountain's top. There was no place to hide, nor run! We were cornered up against a tree, and the bear \_\_\_\_\_ at us. We ran, but slipped on some rocks near the \_\_\_\_\_! We were \_\_\_\_\_ for our dear lives, and the \_\_\_\_\_ walked off. \_\_\_\_\_ got a foothold in the mountain side, and \_\_\_\_\_ both of us up. We then headed walked back to the camp, definitely not did we not walk the same path though. We finally made it back to our camp site, and told everyone about our great adventure we had together. \_\_\_\_\_, and I rewarded ourselves with some \_\_\_\_\_. Never again will we forget our experience with that bear, and the cliff!
