# My first day at middle school

It was the first day \_\_\_\_\_ school \_\_\_\_\_ there was lots kids all over the place. They were pushing and \_\_\_\_\_ to get to there lockers. One kid fell \_\_\_\_\_ the ground \_\_\_\_\_ nobody even helped \_\_\_\_\_ to get up. \_\_\_\_\_! A \_\_\_\_\_ and mean teacher \_\_\_\_\_ out into the hall and started shouting and all the kids ran to \_\_\_\_\_ homeroom. When homeroom was \_\_\_\_\_, this \_\_\_\_\_ loud bell rang. Loud kids went to first period and I tried to get into my \_\_\_\_\_ but there was too many kids around it. Once I got in my locker, the really \_\_\_\_\_ rang. I \_\_\_\_\_ to get my stuff and went to first period. When i got to class, a \_\_\_\_\_ mean looking teacher looked at me and said "Take a seat!". When lunch \_\_\_\_\_, my friends and I got our lunch and \_\_\_\_\_ down. The food was \_\_\_\_\_. When school was over, I raced to my locker to get my stuff and went outside to go to my bus. The walk was \_\_\_\_\_ long, and when I saw down on the bus, I found out I was on the wrong bus. \_\_\_\_\_, Today was a terrible day.
