The Bear and the Cliff

_____ Proper Noun and I went camping in _____ Proper Noun. We had a very _____ Adjective time there, all except when we almost _____ Verb - Past Tense off a mountain! We were _____ Verb - Past Tense up a very _____ Adjective mountain, and suddenly a _____ Noun charged at us! We ran, and jumped over everything that was in our path! We were so scared, and then we came to the Mountain's top. There was no place to hide, nor run! We were cornered up against a tree, and the bear _____ Adverb at us. We ran, but slipped on some rocks near the _____ Conjunction! We were _____ Verb - Base Form for our dear lives, and the _____ Noun walked off. _____ Proper Noun got a foothold in the mountain side, and pulled both of us up. We then headed back to the camp, definitely we did not walk the same path though. We finally made it back to our camp sit, and told everyone about our great adventure we had together. _____ Proper Noun, and I rewarded ourselves with some _____ Noun - Plural. Never again will we forget our experience, with that bear and that cliff!
