As I look out the window I see that we go around a corner _____ get _____ by the _____, _____ all I see is trees. Meanwhile the other kids are _____ and saying _____ words to each other. Then we get to school and all the middle school kids get off ,including myself, and walk in to sit down in the _____ auditorium. Then the bell rings for us to go to our lockers and get out our stuff that we need. This is my schedule for the day: 1. band, 2.English, 3. math, 4.lunch, 5\6.social studies, 7\8 engineering by design, 9.science, 10.health or gym,for _____ health means _____! When gym means _____!, and 11.advisory _____ Mondays and Thursdays . Now that those classes are done, I can go home. However there is one tiny problem with that, my bus is at the end of the rows of buses, _____ I have to walk _____ the whole way down without missing the bus. Then I get to go home.When the bus drops me off at the side of the road, so I have to walk the whole way home. Then the whole thing repeats over every school day.
