Hairbrush

There once was a land of little Adjective animals. Pronoun are Adverb sweet and kind animals and mean no harm. They are animals Conjunction they live human-like lives. They work, go to Noun, get married, and so on.

They are very concerned on how they look. They all want to make a good impression like all other people. Their fur is groomed, their teeth are shinny white, and they always look adorable.

Each of they have their own personal hairbrush. They loved brushing their Noun. They spent anytime they could Verb - Present ends in ING away.

One day an evil goblin came Conjunction stole all of the fuzzies hairbrushes.

"interjection!" said a fuzzie, "not our hairbrushes!"

In anger the fuzzies Verb - Past Tense Adverb at the goblin and sunk their teeth Preposition his flesh.

"interjection!" screamed the goblin, "fine you can have your Adjective hairbrushes!"

The fuzzies left with their hairbrushes and were then Preposition their way. No one has messed with a Pronoun since then.
