Spider-man

It all Friday November 5th, 2008, the day became Mrs. Spider-Man. It
was family night, my brother's choice was between Batman and Spider-Man. His choice of
Spider-Man changed my life After After the the Adjective - Ends in EST
movie of all time (Spider-Man,!) became the love of my life. Whenever I
have some one, they take one look at my Spidey themed room
Conjunction run away screaming " Interjection , stay away you freak!" That's ok though, Spider-
Man keeps me company. Then the thing happened. I sent my love a and he
responded! I was excited, until I read what he wrote. He called me a freak and said that Spider
Man wasn't real and that he was just an actor. I have never been more upset my life,
I'm so over him, I'm dating Batman now.
