My First Puppy

My parents are getting me my first puppy. <u>Promotion</u> want a <u>Noun</u> that is <u>Adjuctive</u> and white <u>Coordinating continuition</u> is really <u>Adjuctive</u>! I'm scared that it is going to <u>Verb</u> all over me and scratch me in the face. We will probably get the puppy's <u>Noun_Plural</u> <u>Verb_PlatTense</u> <u>Adjuctive</u> short so it doesn't hurt us. I always wanted a puppy that thought they were a protective dog even though they were <u>Adjuctive</u> small. I can't wait! I don't even know if it's a boy or a girl, <u>Coordinating conjunction</u> whatever it is, it's going to be so exciting. It seems like my parents are taking forever to come back with the puppy! I know, my parent will be coming soon enough. <u>Verb_PresentTense</u> and running around my house waiting happily and patiently. My parents walk <u>Proposition or subodinating conjunction</u> the door and there it is! A little puppy that is <u>Adjuctive</u> and white! It's a girl! I will go get her some food and water. I'm so excited to run and jump around with <u>Provense</u> in the house. Wait! What will we name her? Let's name her <u>Prover Noun</u>! She is the <u>Noun</u> dog. I love her already.
