Memily Mad Lib

There once was a named Madison. Madison was a polyanderist. Madison had a friend named
Emily. was a polyanderist (or however you spell that), too. They both had at least
Noun - Plural . All their husbands were Adjective and Adjective
One Christmas, Madison was on bacon. Suddenly, Emily came Preposition or subordinating
and said'Madison, the Noun - Plural got into the house!' Penguins are liars. Madison grabbed
Noun and Emily grabbed a whip and they tried to shoo them out. Then, the Adjective - Superlative
little penguins said, stop. I don't like you, you're all idiots.' This madeEmily and Madison
They then got out a and whipped the smart penguin who went verb -
Present Tense away, even though penguins can't fly.
Noun end
