The Stolen Statue

I was walking through the agora one day, when I heard a loud Sound! No one else seemed to hear it, chatting as much as my Relative First Name of a Person. I heard it coming from the Parthenon. I'm not supposed to go in there, but the Sound is getting louder. I quickly ran in the Parthenon, and there were these Verb - Base Form, Verb - Base Form, Verb - Base Form, Verb - Base Form Noun - Plural dressed in Color. They were stealing the statue of Noun! Thank goodness I went to the Noun games and I'm a professional Occupation. I went into action and Adjective my opponent. I got both of them against the wall in Number Time Unit. I called the Noun - Plural and they came and took them to the Location. Noun was saved!
