The Battle of the Dog

I had just taken my seat in the front row of the amphitheater. The guards had just let the rabid Noun out,

they were getting the Noun when I heard some people scream " First Name of a Person watch out!!"

Before I knew it the noun-same as first noun was leaping out towards me, I rolled out of the way, but the dog

was too Verb, It bit me on the arm. After the noun-same as first noun bit me the world started to

Verb. The guards took me to some house, everything turned dark color. I woke up, where was

I?.....Uh oh, they had taken me to the Noun hill. The guards wouldn't let me in precious civilization,

there was no Noun so I slowly died of Noun.
